

# GENERAL HOUSE RULES CIRCUIT ZANDVOORT & FORMULA 1 HEINEKEN DUTCH GRAND PRIX

## GENERAL

*These house rules apply to everyone present on the premises of CM.com Circuit Zandvoort (hereinafter referred to as the "event site"). Always follow the instructions of authorized personnel, recognizable by their clothing and/or accreditation.*

## ARTICLE 1. LEGISLATION AND REGULATIONS

Dutch law and the local regulations (APV) of the municipality of Zandvoort apply on the event grounds. Visitors to events at Circuit Zandvoort, including the F1 Heineken Dutch Grand Prix (hereafter referred to as: the event), must conduct themselves in accordance with public order, decency, and proper behavior throughout their presence at the venue.

All visitors are required to comply with the rules and/or instructions given by the event organizers, security personnel, medical teams, and any other parties involved in the event. Threats, assault, intimidation, discrimination, and any other form of aggression are strictly prohibited. The use of (soft) drugs is not permitted. In cases of misconduct, disturbances, public urination, or violation of the house rules, visitors and/or participants will be removed from the event grounds. If weapons, theft, public violence, or other legal violations are observed, the police will be notified and a formal report will be filed.

Anyone present in the paddock, on the track, or in hospitality areas must adhere to the specific regulations applicable to that (sub) location during the event.

## ARTICLE 2. OWN RISK AND LIABILITY

Attending the event grounds is entirely at your own risk. Visitors acknowledge that auto racing, the event itself, and certain activities related to the event can be dangerous, and they agree to be present and/or participate at their own risk.

The event organizers (and all their staff), Circuit Zandvoort (and all their staff), Formula One Management (and all their staff), the FIA (and all their staff), suppliers (and all their staff), and the municipality of Zandvoort are not liable for any damage resulting from attending the event, nor for the loss and/or theft of any belongings during the visit.

Any damage caused to (temporary) objects or property, or to people (visitors/staff) at the event will be recovered from the party responsible.

## ARTICLE 3. SEARCHES, BAG CHECKS, AND IDENTIFICATION

The organization reserves the right to frisk visitors and inspect hand luggage, bags, and/or coats upon entry or during the event. Visitors may also be asked to show identification. Refusal to comply may result in denial of entry or removal from the event grounds.

## ARTICLE 4. ADMISSION AND TICKETS

Access to the enclosed event grounds is only permitted upon presentation of a valid admission ticket, along with personal identification. The minimum age for unaccompanied attendance is 16 years. Younger visitors are only allowed entry if accompanied by an adult with a valid admission ticket.

Access to the event grounds will be denied or revoked for individuals who:

- (i) Cause any form of nuisance and/or display aggressive behavior.
- (ii) Are in possession of drugs and/or visibly under the influence of drugs or excessive alcohol.
- (iii) Are in possession of weapons. In such cases, the police will be notified.
- (iv) Cause any kind of disturbance to the surrounding environment.
- (v) Wear football club apparel, display symbols of motorcycle gangs (Outlaw Motorcycle Gangs), or wear clothing or flags featuring nationalist symbols or expressions (national football jerseys are excepted).

All event tickets must be personalized in advance of the event. At the entrances to the enclosed event site, ticket validity will be checked, and upon request, visitors must be able to prove that the name on the ticket matches the name of the ticket holder.

Each ticket is valid for one or more days (passe-partout & weekend tickets) and grants access to the event grounds and the designated grandstand or zone/sector indicated on the ticket. Movement between grandstands or zones/sectors is not automatically allowed.

During regular events at Circuit Zandvoort (excluding the Dutch Grand Prix), ticket holders who leave the event grounds must check out at the exit in order to regain entry later.

Failure to comply with these house rules gives the organization the right to claim any damages from the offender(s). The carrying or lighting of flares/smoke bombs, as well as climbing the fences on the premises, may result in a fine of €350. Any damage caused will also be fully charged.

#### **PLEASE NOTE!**

During the Formula 1 Heineken Dutch Grand Prix weekend, re-entry is not allowed once you leave the event grounds. Re-entry is only possible for guests staying at the 538 Dutch Grand Prix Village.

The organization reserves the right to deny access or remove visitors from the venue if they fail to comply with the regulations outlined in Article 1 or the house rules. After removal, re-entry to the venue is not permitted.

In the interest of public order and safety, the organization reserves the right to request visitors to leave the venue at any time for security reasons. After the conclusion of the event, (re)admission will no longer be allowed.
